

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

- Insurrection, removal of custom-house, 3-940
- Letters not to be carried on vessels, requirement of oath, 8-185, 186
- Letters on vessels, searches and seizures, 8-186

COLLECTOR OF CUSTOMS (Cont'd)

Liability for rulings or decisions, 2-1026, 1026 note
 Licensing vessels, see **LICENSED VESSELS**
 Light-houses, beacons and buoys, superintendence of, 6-318
 Loss of or accident to vessels, report to collector, 9-344
 Loss of or accident to vessels, report to Secretary of Treasury, 9-345
 Loss of vessels, probable, duty to report, 9-344
 Manifests, see **ENTRY OF MERCHANDISE AND VESSELS**
 Manufacturing warehouses, exportation of goods from, 2-1116
 Marine hospitals, admission of foreign seamen, 3-568
 Measurement of vessels, 9-262
 Merchandise reported as destined for foreign port, 2-977
 Money collected to be covered into treasury, 2-908
 Money received under protest, disposal of, 2-1133
 Naval officer
 Duties at ports where there is a collector, 2-958
 Duties where collectors are appointed, 2-959
 Examination of abstracts and accounts, 2-959
 Neutrality laws, detention by collectors, 7-482
 Neutrality, withholding clearance of vessels, 6-1242
 New districts, collectors continuing to hold office, 2-909
 Oath
 Administration of, 2-1084
 Certification of, penalty, 2-954
 Employees in customs service, administering oaths to, 2-970
 Revenue marine service, administering oaths to, 2-970
 Who may administer, 2-954
 Oath of office, 2-954
 Oath of subordinate officers, administering and filing, penalty, 2-969
 Officers of merchant vessels, investigation of conduct, payment of fees to marshals and witnesses, 6-1260
 Offices and headquarters of districts, 2-908
 Offices, place of maintaining, 2-908
 Packages to be opened, 2-1046, 1046 note
 Passenger vessels, inspection and examination of, 2-14
 Passports of unregistered vessels, 9-306
 Payment of duties, 2-1132, 1141
 Payments, on account of fees and from permanent appropriations, 2-972
 Possession of property seized, power of court to take, 8-1425 note
 Property seized irrevocable, 8-1425, 1425 note
 Public buildings, disbursements, 8-1122
 Radio communication, licenses, 9-526

COLLECTOR OF CUSTOMS (Cont'd)

Rail, exports by, returns of, manifests, etc., 2-489
 Recording sales, mortgage and hypothecations of vessels, see **REGISTRY AND RECORDING OF VESSELS**
 Remission of fines, application for, 2-1182
 Removal of officer by collector, 2-957 note
 Removal of suits and prosecutions against, 5-380, 382 note
 Removal, performance of duties, 2-958 note
 Reorganization of service by President, 2-902
 Salaries in various districts, 2-908
 Seamen
 Certificate of citizenship, 9-210, 211
 Lists of crew of vessels, 9-198, 200
 Qualification muster of crew, 9-213
 Searches and seizures, in enforcement of duty laws, 2-1159, 1186
 Secretary of Treasury
 Instructions to be followed, 2-966, 967 note
 Regulations by, 9-812, 812 note
 Seizure cases, authority of judge in vacation, notice to collector, 3-327
 Seizure of vessel or merchandise for forfeiture, notice by advertisement, 9-333
 Seizures, claims for property seized, 2-1166
 Shipping commissioner, collector or deputy acting as, 9-132
 Signal lights on vessels, 2-449
 Standards, weights and measures to be provided, 2-959
 Steam vessels, enforcement of law concerning, 9-470, 471
 Storage and warehousing of merchandise, powers and duties of collectors, 2-1094, 1118
 Storehouses, duty to provide, 2-957
 Successor appointed during term, 2-953 note
 Suits, institution of, 2-1172
 Surveyor
 Disability, collector to provide for performance of duties, 2-960, 960 note
 Duties where collectors are appointed, 2-959
 Recording permits granted by collector, 2-960
 Reports to collector, 2-959
 Subject to direction of collector, 2-959
 Suspension of officer or employee for neglect or delinquency, 2-970
 Tea imported, furnishing samples, 3-718
 Terms of office, 2-909, 952, 952 note
 Timber depredations, duties of collectors, 9-623
 Tobacco and cigars exported, duty of collector, 4-154
 Tobacco and snuff imported, duties of collector, 4-150

COLLECTOR OF CUSTOMS (Cont'd)

Tobacco exported, transportation bond instead of export bond, duty of collector, 4-157

Trademarks, importation of certain articles forbidden, 3-712

Unlading, granting of permits, 2-957

Vessels

Officers not to own, 2-962

Registry and recording of, see **REGISTRY AND RECORDING OF VESSELS**

COLLECTOR OF INTERNAL REVENUE

See **INTERNAL REVENUE OFFICERS AND AGENTS**

Chinese exclusion, office of collectors, 2-104

COLLECTOR OF PORT

Death of passenger at sea, penalty, 2-12

Passengers by sea, 2-13

Passenger vessels, duties as to, see **PASSENGERS BY SEA**

COLLECTOR OF PUBLIC MONEYS

See **PUBLIC MONEYS**

COLLEGE LANDS
